The City of Kingston Parks and Recreation Commission and Department is thrilled to announce its 3rd annual “Love Your Park Community Bike Ride,” scheduled for Saturday, April 30th.

“This event is a great way for bike enthusiasts to see each of our parks and recreation facilities,” said Kevin Gilfeather, Superintendent, Parks and Recreation Department.

At 9:30am, bicyclists begin a challenging but exhilarating 15 mile loop through the streets of Kingston to offer participants a glimpse of many of Kingston’s parks and hidden treasures.

New this year, the event will include a children’s Bike Rodeo at 10am, offered in collaboration with SUNY Ulster Mid-Hudson Health and Safety Institute, where kids can learn about bike safety, maintenance and traffic rules.

In addition to the 15 mile loop and Bike Rodeo, the event will also feature a flat and simple 3 mile ride at 11:30am, perfect for families, for those with young children, or those simply wishing to enjoy an easier ride with stunning views of the Hudson River.
